

Brodalys

FLOOR PAD GREEN

DESCRIPTION

Floor pad suitable for aggressive scrubbing or light stripping.

ADVANTAGES

- + Eco friendly product made from the highest quality post-consumer recycled PET fiber
- + Longlasting quality due to the strong durable fibers
- + Open structure allows better dirt absorption
- + Constant performance; Abrasive throughout the entire pad
- + Strong fixation of the abrasive to the fibers (excellent performance)
- + Washable so reusable

APPLICATION

Scrubbing pad for heavily soiled areas.
Use with 175 - 350 rpm machines.
